

**29<sup>th</sup> Annual**  
**Micro-Electric Vehicle Competition**

Wednesday, May 6, 2026

Yazaki North America, Inc.

6801 Haggerty Rd. Canton, Michigan 48187

SAE Detroit Section would like to extend an invitation for local high school students to participate in the 29th Annual Micro-Electric Vehicle Competition. The competition will take place on Wednesday, May 6, 2026 at Yazaki North America, Inc. in Canton. Pizza, salad, and beverages will be provided for all students and guests. Registration will begin at 2:00 p.m., with the competition beginning promptly at 3:00 p.m.

The objective of this competition is for a team of up to four students to build a small vehicle powered by a single AA battery. The vehicle must be capable of pulling an attached trailer up an inclined ramp in a head-to-head, multi-round heat race format to advance to the final championship round. There are three categories within this competition: Design, Performance, and Overall Winning School. Each school is permitted to bring up to eight vehicles, four in each (Non-Capacitor and Capacitor) of the vehicle classes.

**NOTE: Maximum of eight** vehicles per school can enter the competition with up to four in each class.

**Overall** – Top three schools with the highest score in both the Design and Performance Competition will receive trophies and cash awards.

**1st Place \$2,000**

**2nd Place \$1,500**

**3rd Place \$1,000**

**Design** – Trophies and cash awards will be given to the top three teams based on overall design and engineering concepts used in their written paper and oral presentation.

**1st Place \$200**

**2nd Place \$150**

**3rd Place \$100**

**Performance** – The top three teams in each category of the Performance Competition will receive trophies and cash awards.

**Capacitor:**

**1st Place \$200**

**2nd Place \$150**

**3rd Place \$100**

**Non-Capacitor:**

**1st Place \$200**

**2nd Place \$150**

**3rd Place \$100**

If you are interested in participating, please fill out the registration form by **Wednesday, April 15, 2026**. Design Competition papers are due at this time too.
